Professional Summary

Motivated and detail-oriented Computer Science student and avid problem solver, with over 500 solved problems on competitive programming platforms such as Codeforces, Vjudge, and LeetCode. Possesses strong hands-on experience in MERN-stack web development and a passion for both education and community impact.

A graduate of the Digital Egypt Pioneers Initiative (DEPI) – React Frontend Developer track, with a proven record of technical and instructional excellence. Currently working as a Frontend Instructor at DevHub and a Soft Skills Instructor at DEPI (Round 3), where I deliver interactive, skills-based training programs to empower aspiring developers.

Proficient in MongoDB, Express.js, React, and Node.js, with a solid foundation in full-stack development, responsive design, and building real-world projects. Known for a proactive teaching style, effective communication skills, and a commitment to nurturing both technical capabilities and interpersonal growth in students.

Eager to contribute to impactful software solutions and excel in collaborative, fast-paced environments.

Technical Skills

- Programming Languages: C, C++, C#, Php, Python, Java, JavaScript, HTML, CSS
- Frameworks & Libraries: React, Node.js, Express.js
- Databases: MongoDB, Mysql
- Tools: Postman, Studio 3T, Git and Github
- Soft Skills: DEPI Softskills instructor, Team collaboration, Communication, Programming

Experience

Frontend Instructor | DevHub El Shorouk Academy

Nov 2024 – May 2025

- Delivered training in frontend development using HTML, CSS, JavaScript, and React.
- Mentored students and evaluated projects to ensure understanding of development concepts.

React Frontend Web Developer | Digital Egypt Pioneers Initiative

(DEPI) Oct 2024 – June 2025

- Developed responsive web interfaces using React.
- Collaborated with backend developers to integrate APIs and improve application performance.

Node.js Backend Developer | Developer Student Club - El Shorouk Academy

Aug 2024 – March 2025

- Contributed to backend systems using Node.js and Express.js.
- Built APIs and integrated MongoDB for data persistence.

Soft Skills Instructor | Digital Egypt Pioneers Initiative (DEPI)

June 2025 – Present

- Deliver engaging sessions focused on communication, time management, teamwork, and personal branding.
- Empower students with essential soft skills to succeed in both academic and professional environments.
- Facilitate interactive workshops and group activities to enhance learners' confidence and leadership capabilities.

Extracurricular Activities

- Participant - DSC El Shorouk Academy
- Member - F12 Technical Community (Problem Solving, Backend, Soft Skills)
- Participant - ICPC Juniors Level 1, El Shorouk Academy
- Member - IEEE Student Branch
- Freelancer - ITIDA Gigs Program under the Ministry of Communications and IT
- Soft Skills Instructor | Digital Egypt Pioneers Initiative (DEPI)

Education

El Shorouk Academy | Bachelor of Computer Science

Sep 2023 – Jul 2027
