PROFESSIONAL SUMMARY

Motivated and detail-oriented Computer Science student and avid problem solver, with over 500 solved problems on competitive programming platforms such as Codeforces, Vjudge, and LeetCode. Proficient in MERN-stack web development with hands-on experience in real-world projects.

Graduate of the **Digital Egypt Pioneers Initiative (DEPI)** – React Frontend Developer track. Currently working as a **Frontend Instructor at DevHub** and a **Soft Skills Instructor at DEPI (Round 3)**.

Strong background in responsive design, full-stack development, technical training, and soft skills facilitation. Known for proactive teaching, effective communication, and a commitment to empowering developers.

TECHNICAL SKILLS

Programming Languages	C, C++, C#, PHP, Python, Java, JavaScript, HTML, CSS
Frameworks & Libraries	React, Node.js, Express.js
Databases	MongoDB, MySQL
Tools	Postman, Studio 3T, Git, GitHub
Soft Skills	Training delivery, Team collaboration, Communication, Leadership

WORK EXPERIENCE

Frontend Instructor — DevHub El Shorouk Academy Nov 2024 – May 2025

- Delivered training in frontend development using HTML, CSS, JavaScript, and React.
- Mentored students and evaluated projects to ensure understanding of development concepts.

React Frontend Developer — DEPI Oct 2024 – Jun 2025

- Built responsive web interfaces using React.
- Collaborated with backend developers to integrate APIs and enhance performance.

Node.js Backend Developer — Developer Student Club - El Shorouk Academy Aug 2024 – Present

- Contributed to backend systems using Node.js and Express.js.
- Developed APIs and integrated MongoDB for persistent data storage.

Soft Skills Instructor — DEPI Jun 2025 – Present

- Delivered sessions on communication, teamwork, time management, and personal branding.
- Facilitated interactive workshops to improve leadership and confidence in students.

MEAN Stack Trainee — ITI Ain Shams Branch Jul 2025 – Aug 2025

- Completed an intensive MEAN Stack training program (MongoDB, Express.js, Angular, Node.js).
- Developed projects demonstrating full-stack skills and teamwork.

- MEAN Stack Trainee — NTI**

Aug 2025
- Completed a 120-hour professional training in MEAN Stack development.
 - Enhanced expertise in Angular, Node.js, and MongoDB integration.
- React Native Mobile Developer Internship — Contact Financial Holding**

Aug 2025
- Worked on mobile app development using React Native.
 - Built and optimized mobile interfaces, collaborating with team members for product delivery.

EDUCATION

Sep 2023 – Jul 2027 Bachelor of Computer Science at **El Shorouk Academy**

EXTRACURRICULAR ACTIVITIES

- Participant - DSC El Shorouk Academy
- Member - F12 Technical Community (Problem Solving, Backend, Soft Skills)
- Participant - ICPC Juniors Level 1, El Shorouk Academy
- Member - IEEE Student Branch
- Freelancer - ITIDA Gigs Program under the Ministry of Communications and IT

SKILLS SUMMARY

Technical Skills	Non-Technical Skills
MERN Stack, React, JavaScript, TypeScript	Training delivery, Mentoring
Tailwind CSS, Material UI, Ant Design	Soft Skills facilitation
Axios, Redux Toolkit, RESTful APIs	Communication
Express, Node.js, Socket.IO	Teamwork
React Native, HTML, CSS	Leadership
Git, GitHub	Problem-solving
